

LETTER OF CERTIFICATION TO DIVE
for the National Oceanic and Atmospheric Administration

Diver Name: _____

is certified to dive at the level of

- NOAA Working Diver
- NOAA Scientific Diver
- Non-NOAA Equivalent Working Diver
- Non-NOAA Equivalent Scientific Diver

AUTHORIZATION: The above individual is authorized to use open-circuit self-contained underwater breathing apparatus incident to the performance of their official duties, and subject to the prescribed NOAA policy and regulations governing the use of such equipment outlined in NOAA Administrative Order 209-123 and OSHA CFR title 29 section 1910.402.

RESTRICTIONS: For Scientific divers - diving tasks are limited to those of observer and data gatherer. Construction and trouble shooting tasks, traditionally associated with commercial diving, are not included within scientific diving and performance of these activities is not authorized. When diving in unfamiliar conditions, you must be under the supervision of a diver trained and experienced in those conditions.
